Opportunities at Crompton House Sixth Form

- Personal Academic Tutor – fortnightly academic, welfare and support meetings.
- Our Aspire programme – preparing ambitious students for entry into Oxbridge, Russell Group and competitive courses.
- The Extended Project Qualification – an independent research project which develops many academic and project management skills. EPQ can also lead to reduced university offers.
- Dedicated Sixth Form Centre including ICT facilities, Cafe, socialising and study spaces.
- Trips including New York, Morocco, Sweden, Cern, a ski trip and many more.
- Gold Duke of Edinburgh Award.
- Extracurricular opportunities in sport, music, drama, dance and charities.
- Work Experience.
- Apprenticeship support programme.
- Core Maths, for students who want a higher level maths qualification without taking a full A Level.

IT'S A BALANCING ACT - It essentially comes down to two things:

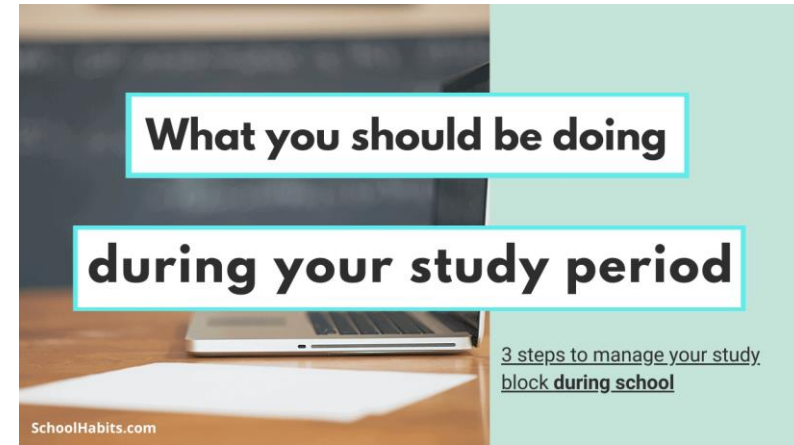

School Life –

Lessons, Study periods, Homework, Wider/background reading, revision – exam questions, EPQ, DofE etc

Vs

Personal Life –

Socialising, extra-curricular inc exercise, family, **part time** job, holidays etc

Expectations:

- Academic jump
- Hit the ground running – work outside lessons before it is too late
- Study Periods
- Exam Question practice
- School life involvement
- Part time jobs

Typical week / day

Week:

Mondays finish at 2.40pm

Green Tuesday (PSHE) – 8.40-9.30am

Both Wednesdays Assembly in the Hall

Red Wednesday PM – Curriculum

Enrichment and EPQ

DAY –

Start: 08.40

Break: 10.10

Lunch: 12.25

Finish: 03.20

[Mondays and Green Tuesday (PSHE) different]

Flexibility - Swipe Cards

Dress code – business / office smart

Grey suit inc trousers,
skirt or dress

Smart shirt, blouse, top

Smart shoes

Tie

Places to get a grey suit:

- M&S
- H&M
- Miss Selfridge/ASOS
- Next
- John Lewis
- Vinted
- Matalan
- Tesco
- Primark
- Slaters in Manchester (also have a small selection of woman's work wear)

Communication System

- TEAMS is the main communication system for the students.
- Text system - this is aimed to provide quick communication between staff, students and parents.
- The text messaging system will allow any Academic Tutor or the Sixth Form Team to contact you at any point when we need to discuss or get information to you. **YOU CAN REPLY TO THIS BY TEXT ONLY.**
- Other systems that will be used are: email, Doddle, Twitter and Instagram to keep you up to date on everything you need to know.
- Students will also have a clear understanding of their academic tutors timetable and know when and where to contact their tutors to meet for mentoring.

The logo consists of the word "OURPASS" in a bold, purple, sans-serif font, centered on a white, horizontal banner that has a pointed right edge. The banner is set against a background of yellow and purple geometric shapes.

OURPASS

The logo consists of the word "OURPASS" in a white, sans-serif font, centered on a dark purple rectangular background. A small white star is positioned above the letter 'O'. The background of the entire advertisement features a yellow and purple geometric design.

Welcoming New Students CHS

On ***Tuesday 5th September*** (inset day) we are inviting the students who are new to CHS into school to participate in a session to get to know the school.

There will be a treasure hunt lead by the new Student Management Team.

We are asking that any incoming Year 12 students who are interested in taking part complete the Microsoft forms (send out following the talk).

Super-curricular (academic) and Extra-curricular @CHS

- EPQ
- Leadership Opportunities
- Summer Schools
- Online Courses
- Sport Teams
- Gold DofE
- Drama Productions
- Music - Bands, Choirs
- Maths Masterclasses
- Work Experience
- Charity Work
- Mentoring Opportunities

Core Maths

CORE MATHEMATICS AT CROMPTON HOUSE SCHOOL

The AQA Mathematical Studies course is an additional AS qualification and as such carries UCAS points

It is designed to support other A level courses with some mathematics content:

- Social Sciences
- Geography
- Science
- Business
- Economics
- Design Technology
- Computer Science
- and more

It is well regarded by universities, apprenticeship courses and other Post 18 providers.

The course develops your skills at problem solving and data analysis.

You will study useful, real life maths such as taxation, mortgages, borrowing, interest rates and budgeting.

You will need to attend 3 lessons per fortnight over two years; there is no course work just two final exam papers.

The course is enjoyable, relevant and very useful for developing your mathematical skills to assist in the workplace and in further study.

SUBJECT PREFECTS

These are attached to each subject in the Sixth Form and help out with various events, activities and support other students.

Results day procedures:

Results Day this year is on **Thursday 24th August**. CHS students will be able to collect their results from school from 8.00am onwards.

External students can enrol from 10.00am.

You must see a member of the Enrolment Team who will check your results, option choices, and whether you have achieved the entry criteria (**4.5 average score for Sixth Form entry; 6.0 for entry on to certain courses**);). When this is confirmed, you will be issued with student guidance information, this will be useful throughout the year and for parents.

Confirm acceptance of your place and your subject choices.
